

Have a business?

Dear Notre Dame Community,

At Notre Dame, we rely on the generosity and support of our local businesses and communities. Over the past 68 years, Notre Dame has been supported by many local companies, and thus built lasting relationships with them. Now we would like to reciprocate and offer our support.

Please take a brief moment to tell us about your company, and or services, so that we can share them with all of our community stakeholders.

Scan the QR code below and fill out the form. We will be sharing all of our community businesses on our school's website.

Kindest regards,

J. Garcea
Development Coordinator
